From experience, we have noticed that some of the “fancy” decorated pencils or mechanical pencils will not last as long as good quality HB#2 pencils.

Please label all supplies (excluding pencils and loose leaf).

Please note: your child may need additional items like pencils throughout the year.

We believe that this list should be sufficient supplies to last the year.

However, some students lose and/or damage supplies and they may need to replenish during the year. As school supplies tend to be less expensive in August, you may wish to pick up some extra glue, pencils, erasers, etc to keep on hand in case they are needed.

Please help protect our Earth and reuse any supplies from previous years that you can (ruler, scissors, pens, etc)
